

# CONNAH EVANS

## 'Wait For Me' & Remix - Out now

Hart Leap Records/iTunes - ISRC - UK9PV100006

*"It's impossible to not like that, I tried! It's young, it's upbeat, it's got charm, it's sparky, it's full of life affirming sounds. It just got me, it put it's little fingers round my heart and gave it a tickle, what a charmer"*

**Adam Walton, BBC Introducing Wales**

*"Hyperactive and effortlessly catchy!"* **Charlie Ashcroft, Audition, Amazing Radio**

*"Filled with upbeat, catchy melodies an energy-filled, yet emotion-strewn, slice of indie-pop"* - **Gigslutz**

*"Has the right balance between pop and the more thoughtful singer-songwriter style"* - **Fortitude**

*"I found myself humming the chorus without even noticing what I was doing—which I suppose for a good pop song is exactly what you want"* - **The Vinyl District**

*"For fans of Imagine Dragons, The 1975, Two Door Cinema Club"* - **Sweet Circuit**

*"Connah shows off an up-beat sound more akin to Circa Waves or The 1975"* - **Virtuoso Sounds**

*"He's released his debut EP and has big plans for the future"* - **Female First**

**[Download the Nate Williams Remix of 'Wait For Me'](#)**

**Connah Evans** releases his new single, 'Wait For Me' on **26th February 2016** via iTunes/Hart Leap Records together with the **Nate Williams** remix of 'Wait For Me'.

**Connah Evans** is a twenty one year old upbeat singer songwriter from Anglesey, North Wales. A solo artist who is best described as indie but with massive pop heart Connah is essential listening for fan of **James Bay, Imagine Dragons, The 1975, Two Door Cinema Club** and **Circa Waves**. **Connah Evans** released his first ever single 'In The City' in March 2014 and instantly caught the attention of his local BBC Introducing Wales. After several plays on BBC Radio Wales Introducing with Adam Walton 'In the City' was playlisted on BBC Radio Wales. Having received rave reviews for both his live shows and recorded work, Connah went on to record and self produce his debut E.P titled **Labels**.

'Wait For Me' is **Connah Evan's** debut national release. 'Wait For Me' was produced at Fer Las studio by **Rich Williams (Masters In France)**. **Connah Evans** was recently chosen for a prestigious showcase slot at 2015 **SWN Festival** by Adam Walton. Airplay support for **Connah** includes **Charlie Ashcroft's Audition Show** on **Amazing Radio, WIZARD Radio, BBC Introducing Wales, Adam Walton** and **Bethan Elfyn, Nation Radio, Bro Radio, GTFM** and playlisting on **BBC Radio Wales**.

**Connah Evans** plays **The Big Love Festival** (Baskerville Hall) April 29th - May 2nd, **Focus Wales** - May 13th - 14th, **X Festival Cardiff** June 3rd - 4th, **Truck Festival Cardiff** July 15th - 17th and **Festival No. 6** September 1st - 4th 2016.

## Connah Evans Press

**Gigslutz** - "Following last year's EP Labels, young musician Connah Evans is now back with brand new single 'Wait For Me'. Having received acclaim from BBC Wales and supported The Hoosiers, Evan has been fast accumulating fans, and it's easy to see why. Filled with upbeat, catchy melodies combined with genuinely heartfelt lyrics, 'Wait For Me' showcases Connah Evans' songwriting ability; an energy-filled, yet emotion-strewn, slice of indie-pop." <http://www.gigslutz.co.uk/>

**Fortitude Magazine** - "When you write about a lot of music you sometimes find yourself struggling to describe a track, this was not the case when Wait For Me by Welsh singer-songwriter Connah Evans popped into my inbox. It's bright, it's fun, it has the right balance between pop and the more thoughtful singer-songwriter style, and overall is just a song you want to go back for another listen." <http://www.fortitudemagazine.co.uk/>

**The Vinyl District** - "Connah Evans is a young singer-songwriter from North Wales. Yes, he sings introspective songs while strumming an acoustic guitar, but he supplements these basics with so much more, to a point where you end up with something more akin to Imagine Dragons or Circa Waves. His latest single, "Wait For Me" with its lively guitars and drums that seem to almost skip, is a real earworm. After an initial listen, I was off to my lunch-break where I found myself humming the chorus without even noticing what I was doing—which I suppose for a good pop song is exactly what you want." [www.thevinyldistrict.com](http://www.thevinyldistrict.com)

**Female First** - "Playing live is my drug and I'm hooked" - [www.femalefirst.co.uk/music/interviews](http://www.femalefirst.co.uk/music/interviews)

**Sweet Circuit** - "Wait For Me is Connah's first release since last year's EP Labels. Connah shows off an up-beat sound more akin to Circa Waves or The 1975, however he remains true to himself with his heartfelt lyrics and songwriting talent. Clearly writing from such a personal experience allows Connah to make his music engaging, he explains "so many things happen to me, good and bad, I just write them down on paper and turn them into songs". <http://circuitsweet.co.uk/>

**Virtuoso Music** - "Connah Evans is back with his latest single Wait For Me, his first since last year's EP Labels, Connah shows off an up-beat sound more akin to Circa Waves or The 1975. However he remains true to himself with his heartfelt lyrics and song writing talent. Wait For Me is not only an energetic, fun pop song but also represents an interesting development in Connah's growth as a young musician." <http://www.virtuososounds.com/>
